

Order of the Chancellor
Of Polish-Japanese Academy of Information Technology
of 4th April 2022

concerning the Tuition Fees Regulations at Polish-Japanese Academy of Information Technology.

Pursuant to § 22 sec. 2 item 2 of the Statute of Polish-Japanese Academy of Information Technology, in connection with Art. 80 sec. 2 of the Act of July 20, 2018 and after consulting the Student Government, I order the following:

§ 1

The Tuition Fees Regulations are introduced for the studies at Polish-Japanese Academy of Information Technology, hereinafter referred to as the Regulations, constituting an appendix to this Order.

§ 2

The regulations come into force on the day 2022.

§ 3

1. In matters not covered by the Regulations, the provisions of generally applicable law shall apply, including act of 20 July 2018 Law on higher education and science (uniform text, Journal Of Laws of 2021, item 478 as amended) and Regulation of the Minister of Science and Higher Education of 27 September 2018 (uniform text, Journal Of Laws of 2021, item 661).
2. In the event of discrepancies between the content of the Order and the provisions of generally applicable law, the provisions of law shall apply.

§ 4

The Order comes into force on the day it is signed.

mgr Maciej Rembacz

REGULATIONS CONCERNING TUITION FEES

Chapter I GENERAL PROVISIONS

§ 1

1. Studies at Polish-Japanese Academy of Information Technology are paid.
2. These regulations define the types of fees and the rules for their payment by Students, Student Candidates and Postgraduate Students.
3. The amount of fees, the schedule for paying them and the list of additional fees is determined by the Chancellor for each enrolment for studies in the table of tuition fees for students starting education in a given year and the amount of additional fees, which is Annex 1 to these Regulations (hereinafter referred to as: Table of fees).
4. All payments are made in the form of a transfer to the individual Student's account generated during on-line registration, on the date specified in the contract concluded by the student with the University (hereinafter: the Contract). The date of settlement is the date when the funds are credited to the individual Student's account.
5. The amount of fees, including tuition fees, in the amount determined for a given field of study, the payment schedule and the list of additional fees are confirmed in the Contract and are valid until graduation, subject to § 3 sec. 1

Chapter II TUITION FEES

§ 2

1. Whenever these regulations refer to tuition fees, it should be understood as a provision relating to educational services related to full-time and part-time studies.
2. Detailed rules and schedule of payment of tuition fees are confirmed in the Contract.

3. Tuition fees do not include textbooks and other study materials and the cost of duplicating materials. The tuition fee does not include the cost of supplementary education for non-curricular reasons (illness, neglect, poor exam results, lack of abilities, etc.).
4. The tuition fee covers the cost of the Student's accident insurance (NNW) and third party liability insurance (OC). The tuition fee does not include the costs of other insurance or costs related to cultural and sports activities, also when such activities are organized by PJATK or on the premises of PJATK.
5. Decisions on individual matters relating to the reduction of tuition fees, in situations not provided for in the Regulations, are taken by the Rector.

Chapter III

RENEWAL OF STUDIES, REPEATING COURSE, REPEATING A SEMESTER, CHANGE OF MODE, INCLUDING THE LANGUAGE PATH OF STUDY OR FIELD OF STUDY, LEAVE FROM CLASSES, ANOTHER SPECIALISATION, PROGRAM DIFFERENCES, SUBJECTS

§ 3

1. In the case of resumption of studies, change of the field of study or mode of study, including change of studies from English to Polish or vice versa, a new Contract is signed specifying new, current tuition rates, which may differ from the rates applicable in the original Contract.
2. A student may submit an application for resumption of studies only after prior settlement with the University. This student is entitled to benefit from promotions regarding the amount of tuition fees in connection with the payment of a one-time (annual) fee or payment in two instalments, provided that the deadline specified in the Contract is kept.
3. In the event of consent for a leave from classes, the Student is obliged to pay tuition fees in proportion to the used period of study.
4. A student starting to study another specialization, supplementing the curriculum differences, changing the mode, including changing studies from English to Polish or vice versa, changing the field of study, pursuing extracurricular or repeating subjects, pays the applicable tuition fees and an additional fee indicated in the Table of Fees.
5. In the case of a referral to repeat a semester and return after the leave during the semester, full payment for the entire semester applies.
6. Students pay fees for repeating specific courses if they failed to obtain credits.
7. The decision on the obligation to pay the fee for the repeated courses is made by the Dean of a given faculty.
8. Fees for repeated courses are paid by the 5th day of the month, in accordance with the tuition fees.

Chapter IV
RULES FOR CALCULATING FEE REDUCTIONS

§ 4

1. The Rector grants tuition reductions for academic performance.
2. The reduction is granted:
 - 1) after each completed semester, students who achieved the semester average of 5.0 and have completed all the required subjects (exercises and lectures);
 - 2) for the period of one semester and consists in a reduction of the tuition fee by 20%,
 - 3) automatically on the basis of the results obtained in science (no application is required by the Student).
3. Decision concerning the granting of fee reduction will be sent by e-mail.
4. Tuition reduction for studying siblings or married couples:
 - 1) may be granted to siblings or spouses studying at the same time, on the basis of an application submitted by each student;
 - 2) the amount of the reduction is 25% for each entitled person;
 - 3) applies only when each of the entitled persons pays tuition fees;
 - 4) change of the mode of one of the entitled persons to the "ITN only" mode, transition to sickness / dean's leave or loss of the student status deprives the remaining entitled of the right to reduction;
 - 5) the reduction is granted for the period of one semester. After this period, the application should be repeated to maintain the reduction.
5. Reduction for studying more than one field of study at the same time:
 - 1) applies to students who undertake studies in the second field of PJAiT during their studies;
 - 2) requires the submission of an application for a reduction;
 - 3) the amount of the reduction is set at 50% of the lower tuition fee;
 - 4) the reduction is granted for the period of one semester. After this period, the application should be repeated to maintain the reduction.
6. PJAiT covers up to 50% of the costs of a student's stay at the Faculty of New Media Arts on the obligatory open-air program for the student. The remaining costs, including the cost of travel to the place of outdoor classes, shall be borne by the student on his own.
7. The student is entitled to a discount on the one-time tuition fee:
 - 1) a year in advance - in the amount of 5% or
 - 2) for a semester in advance - in the amount of 2%.
8. The concept of the annual fee paid in advance, referred to in sec. 7 of this paragraph, should be understood as the fee for the academic year, i.e. the fee paid for two semesters in total. The discount for the year in advance is not granted if the Student's learning process covers only one semester in a given academic year.
9. Irrespective of the discounts specified in sec. 7 of this paragraph, only a Student who begins first-cycle studies from the first semester of studies, are entitled to discounts in the amount of:

- 1) 10% or 30% for the results on the matriculation certificate, for studies in Warsaw;
 - 2) 10% discount for graduates of partner schools or 20% or 30% for the results on the secondary school-leaving examination certificate, for studies in Gdańsk.
10. The discounts referred to in para. 7 and paragraph 9 of this paragraph, are calculated in accordance with the rules and in the sequence specified in Annexes 3 and 4 to the Regulations.
 11. Graduates of the Academic Secondary School of General Education at PJATK (ALO), persons participating in the *matura* and preparatory courses for studies, may take advantage of additional discounts, which are set out in Annex 3 to the Regulations.
 12. The rules for calculating the discounts for particular fields of study are set out in Annex 2 to the Regulations.

Chapter V

INDEXATION OF TUITION FEES

§ 5

1. In each subsequent academic year, the amount of tuition and other fees shall be increased (in the case of inflation) or decreased (in the case of deflation) by an index equal to the consumer price index for the calendar year preceding the indexation year, announced by the President of the Central Office. Statistical. The first year of validity of the adjusted fees is the academic year following the first year of the Contract.
2. The indexation will be announced in the first half of each calendar year.
3. In the case of indexation in subsequent years, the revaluation affects tuition and other fees applicable in the previous academic year, i.e. tuition and other fees indexed a year earlier.
4. The new, indexed fees, including tuition fees, apply from the new academic year following the semester in which the indexed fees were announced, i.e. all fees due on or after September 5, and those related to fees related to the new academic year.
5. In connection with the change in the amount of tuition or other fees referred to in paragraph 1, the Student has the right to withdraw from the Contract within 14 days from the date of publication of the information regarding indexation, in the manner indicated in the University-Student contract. For the withdrawal to be effective, a written form is required.

Change in the amount of tuition or other fees, pursuant to para. 1 of this section does not require a written form. Information on the amount of tuition and other fees after indexation is published by the University in the electronic student service system PJAIT by June 30.
6. Withdrawal from the Contract takes effect with legal effect from the date of submission of the declaration of withdrawal (ex nunc).
