

Order of Chancellor  
of Polish-Japanese Academy of Information Technology  
of 28 June 2023

concerning the indexation of tuition fees and charges at Polish-Japanese Academy of Information Technology

Pursuant to § 20 sec. 2 point 2 of the Statute of the Polish-Japanese Academy of Information Technology, in connection with art. 80 sec. 2 of the Act of July 20, 2018 - Law on Higher Education and Science and in connection with § 5 of the University-Student or Employer-University-Student Contract (hereinafter: the Contract), I order the following:

§ 1

According to the inflation index published by President of The Central Statistical Office, the indexation of prices for the year 2022 amounted to 14.4%. Therefore the tuition fees and charges connected with studying at Polish Japanese Academy of Information Technology have been set to increase by 14% relative to the prices stipulated in the Contract.

§ 2

The indexation concerns tuition fees and other charges starting with the first tuition fee for the academic year 2023/2024 payable by 5 September 2023 and charges for consecutive years of study according to Annex 1 to this Order.

§ 3

Indexed fees and charges apply to students who signed the contract with the Academy in the academic year 2022/2023 or the students whose contracts envisage fee indexation. Other students pay fees and charges according to previous arrangements, except for the cases described in § 4 of this Order.

§ 4

In cases of resumption of study, change of faculty or mode of study, including switching from studies in English to studies in Polish or vice versa, a new contract will be drawn with fees and charges different from the original.

§ 5

The Order comes into effect on the day it is signed.
