

Orientation Days PJAIT

welcome!

PJATK Dni orientacyjne

28.09
2024

OUR ACADEMY

PJAiT holds first place among private technical Universities in Poland.

Our programs reflect the latest developments and trends of the market.

We educate students in a number of fields, including IT studies, New Media Art, Interior Design, Information Management and the Culture of Japan.

Students can choose between Polish language and English language based programs, bachelor and master degrees, and full-time, part-time, or online studies.

our website:

PJA.EDU.PL

POLISH-JAPANESE ACADEMY
OF INFORMATION TECHNOLOGY

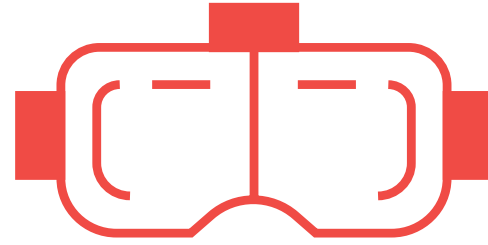

- **Over 8500 students from 78 countries**
- **around 12000 alumni**
- **2 campuses: Warsaw, Gdańsk**
- **Research & Development Center in Bytom**
- **4 Faculties, 6 fields of studies**
- **Doctoral School in Computer Science and Graphic Design**
- **The first position among the non-public technical universities in Poland**
- **70+ international partner universities**

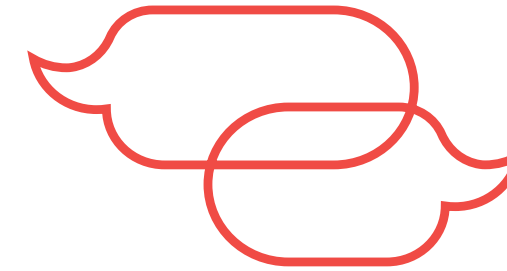

CORE VALUES

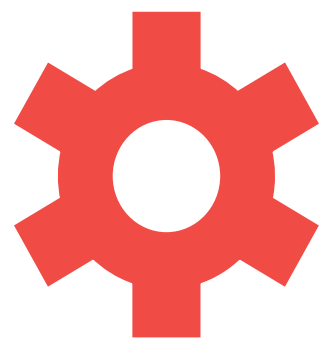

KNOWLEDGE

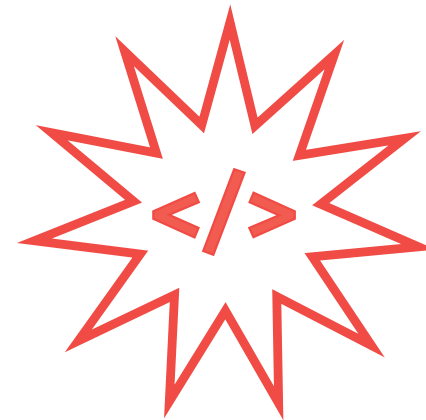

INNOVATION

FRIENDSHIPS
FOR LIFE AND WORK

CAREER
FOR THE FUTURE

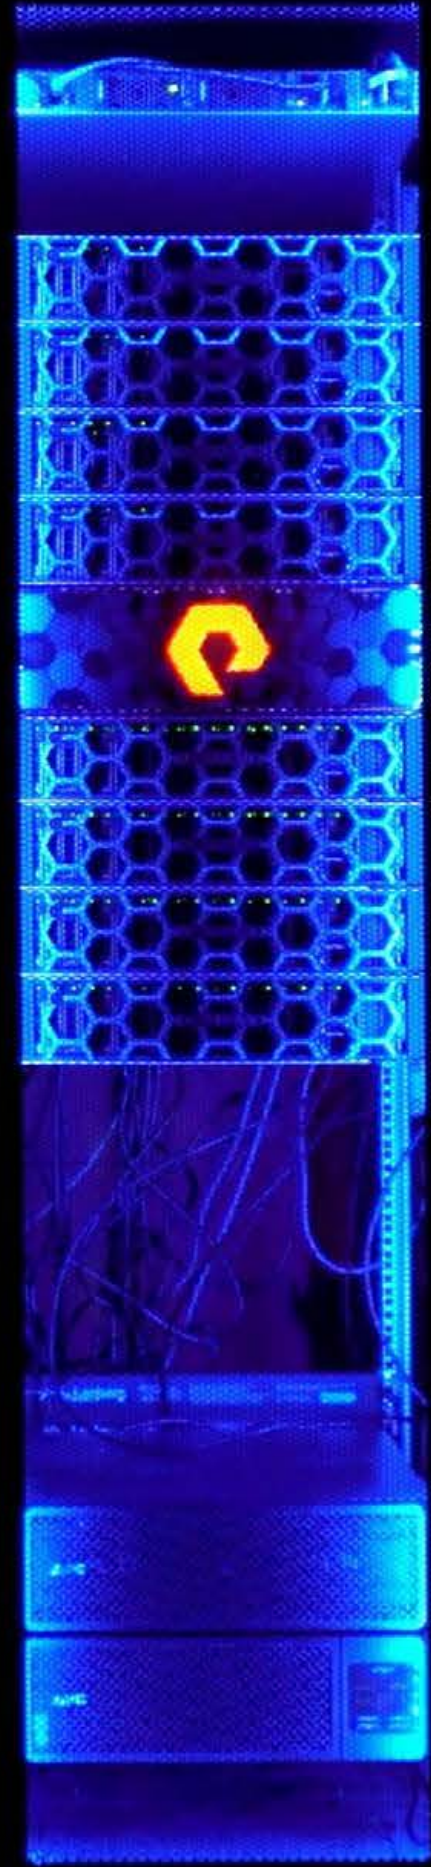

PRACTICAL
SKILLS

THIS IS WHAT THE PJAIT

INTERNATIONAL ACADEMIC

COMMUNITY IS ALL ABOUT!

FIRST STEPS

STUDENTS OFFICE invites you **online**

dziekanat@pja.edu.pl

- Room B19 and B20
(Building B, Ground Floor)
- Information for Students
- Class Schedule
- Applications
- Scholarships
- Student Portal

**Do you want to resolve your issue
at the students office in person?
Remember that prior registration
is required.**

ADDITIONAL MEETINGS WITH STUDENTS OFFICE

We invite you to meetings with the Dean's Office at the beginning of the semester.

No registration is required for these meetings. During these sessions, you can ask all your pressing questions.

Wednesdays:

11:45 AM – 12:15 PM, Room A364
(on the long break)

Saturday, October 12:

11:45 AM – 12:15 PM,
Room B111

STUDENT NUMBER (s-ka)

Every new student is assigned a PJAIT student number

Student number is integrated with PJAIT's e-mail account:

sxxxxx@pjwstk.edu.pl

This will allow you to log-in to Academy's computers (and your own account).

YOUR E-MAIL ADDRESS

Check your email daily!

Your inbox is the primary means of communication with instructors and administrative departments.

Make sure you have your university email handy! ;)

log-in to your e-mail account on the Gmail site

Login:

sxxxxx@pjwstk.edu.pl

Password:

a password to your PJAIT account.

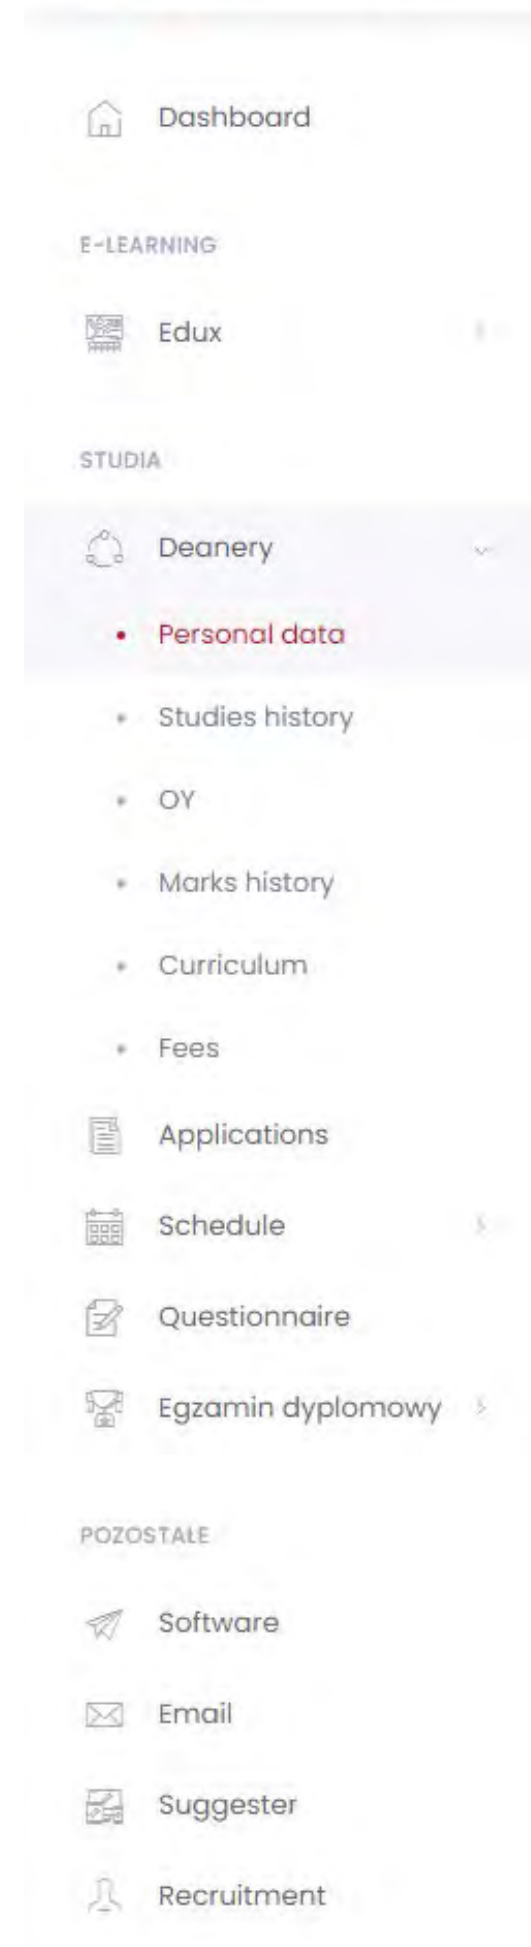

STUDENTS PORTAL GAKKO

gakko.pjwstk.edu.pl

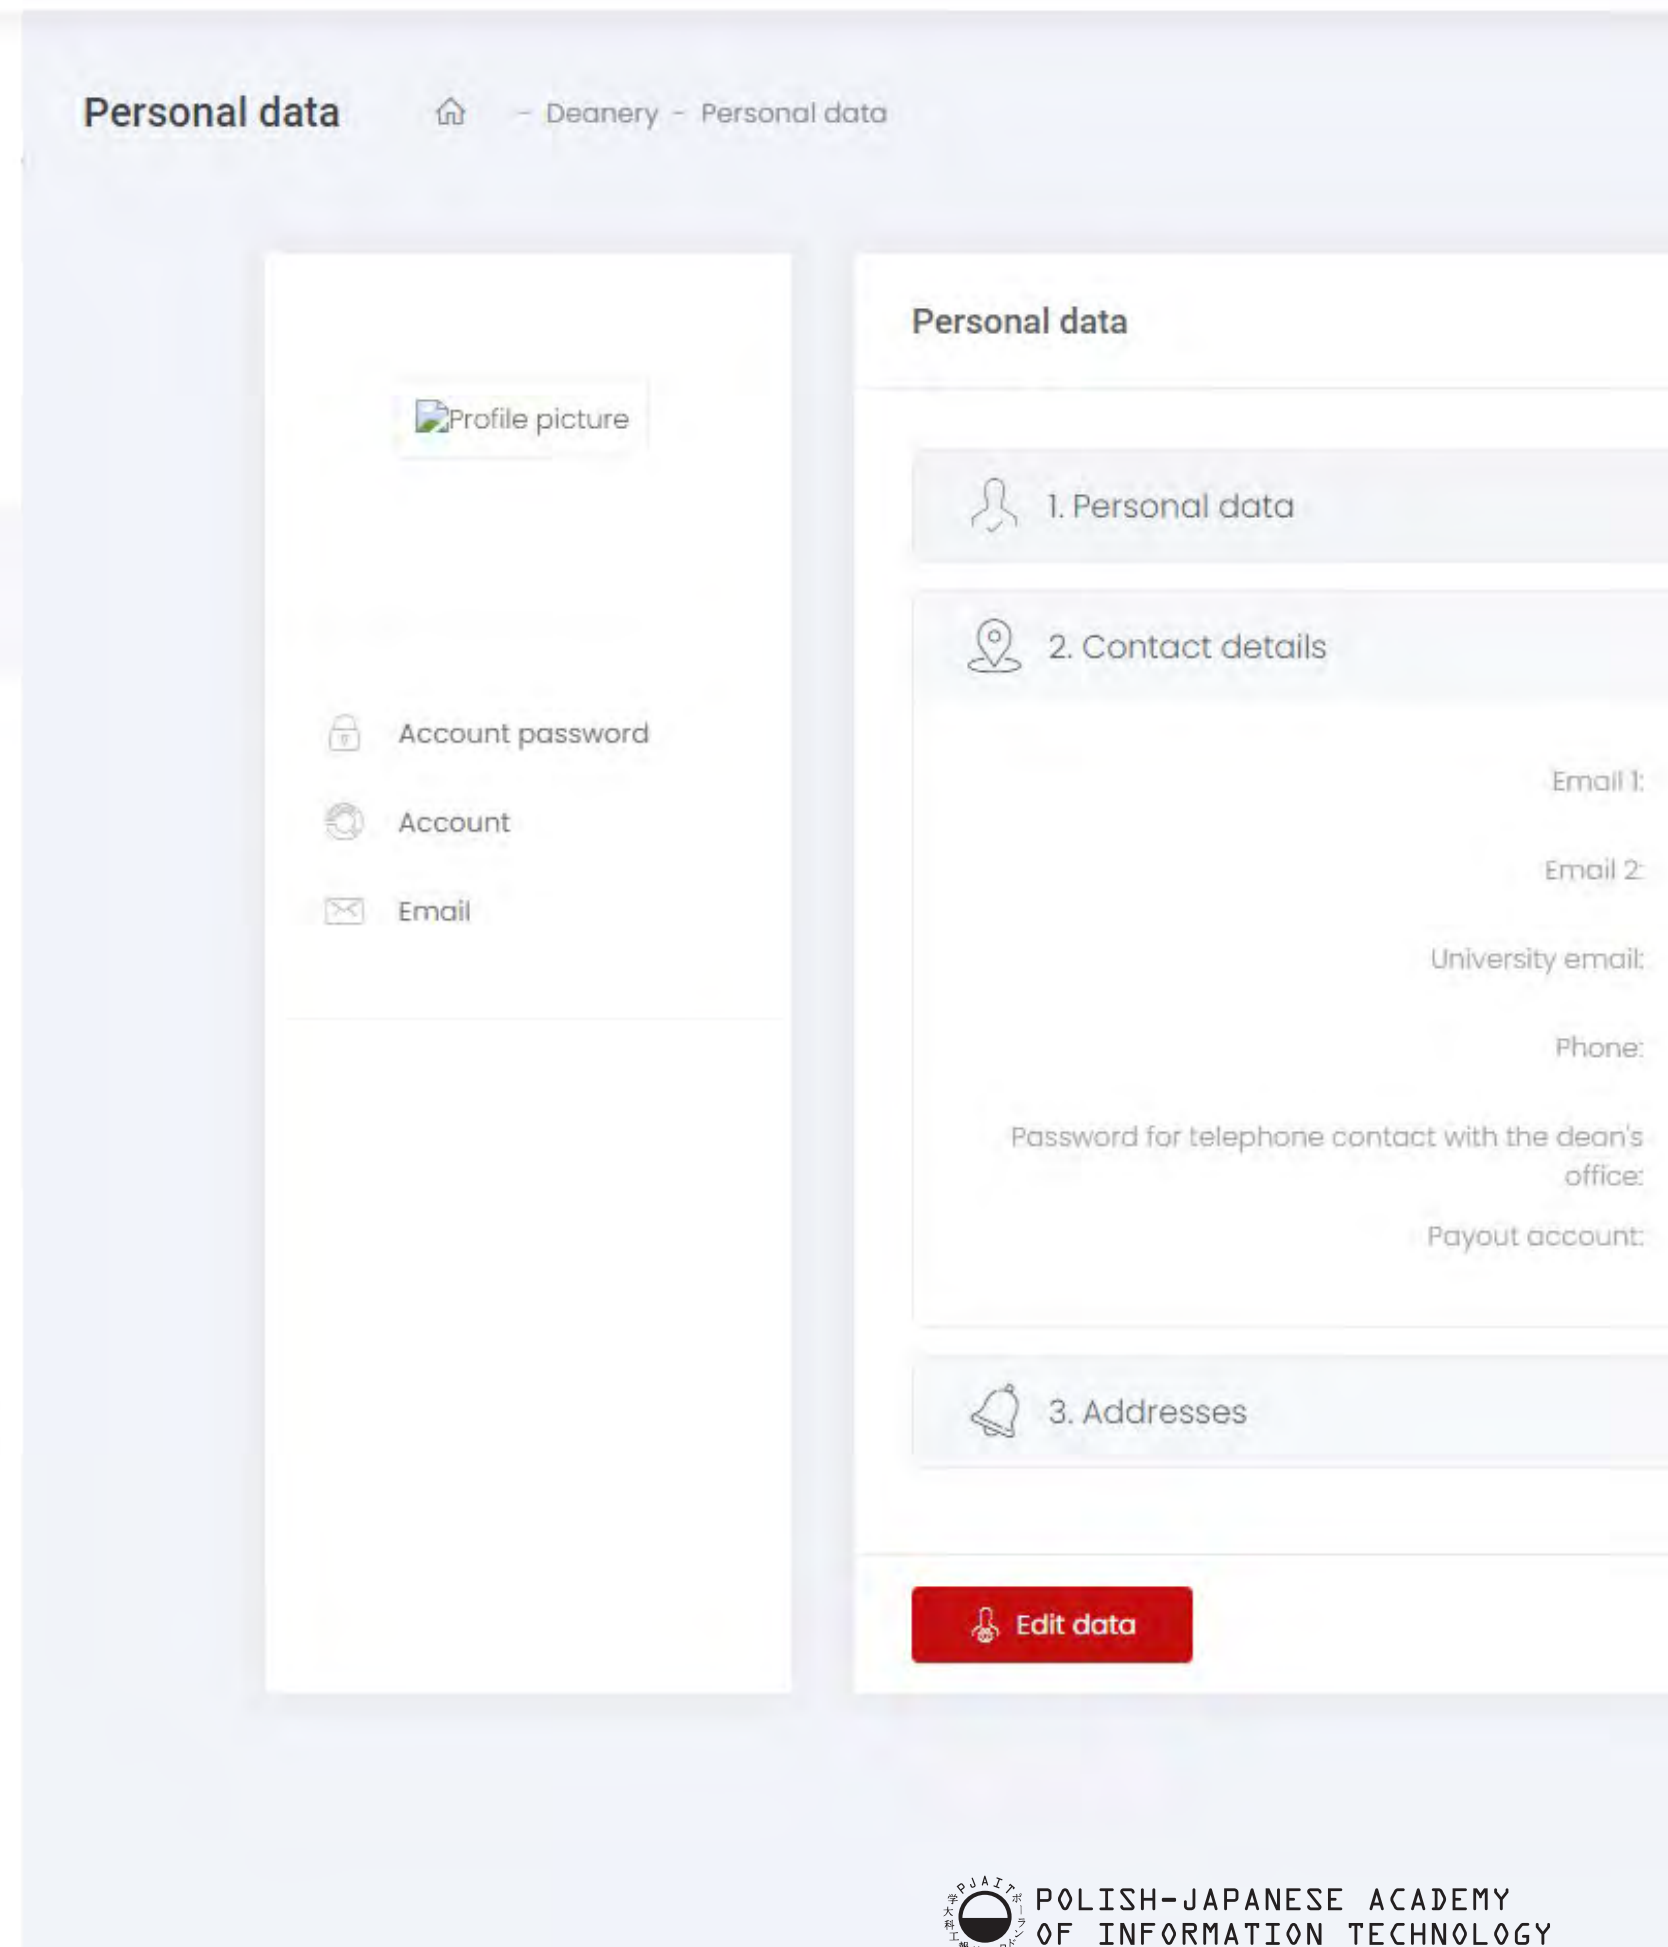

- Dean's decisions announced
- Exam sheets – check if you have passed
- grades, average
- payments

**Need to file an application?
Use GAKKO application system!**

podania.pjwstk.edu.pl

The sidebar menu is located on the left side of the portal. It features a home icon at the top, followed by 'Dashboard'. Below that are sections for 'E-LEARNING' (with an 'EduX' icon) and 'STUDIA'. The 'STUDIA' section is expanded to show 'Deanery', which is further expanded to include 'Personal data' (highlighted in red), 'Studies history', 'OY', 'Marks history', 'Curriculum', and 'Fees'. Other items in the 'STUDIA' section include 'Applications', 'Schedule', 'Questionnaire', and 'Egzamin dyplomowy'. At the bottom, there is a 'POZOSTALE' section with 'Software', 'Email', 'Suggester', and 'Recruitment'.

The 'Personal data' page is shown on the right. It has a breadcrumb trail: 'Personal data' > 'Deanery' > 'Personal data'. The page is divided into two main columns. The left column contains a 'Profile picture' placeholder, 'Account password', 'Account', and 'Email' options. The right column is titled 'Personal data' and contains three sections: '1. Personal data', '2. Contact details', and '3. Addresses'. The '2. Contact details' section includes fields for 'Email 1:', 'Email 2:', 'University email:', 'Phone:', 'Password for telephone contact with the dean's office:', and 'Payout account:'. At the bottom right, there is a red 'Edit data' button.

CLASS TIMETABLE

planzajec.pjwstk.edu.pl/eng.

General timetable – the timetable for all courses, accessible without logging in.

Group's timetable – the timetable for the chosen student group, accessible without logging in.

Your timetable – individualised timetable, accessible only after logging in.

Export to Excel

HELPDESK

Managed by **BSS**
System and Hardware Database

Having an issue?

Check the BSS website: bss.pjwstk.edu.pl where you will find step-by-step instructions and tutorials.

Didn't find

a solution to your problem?

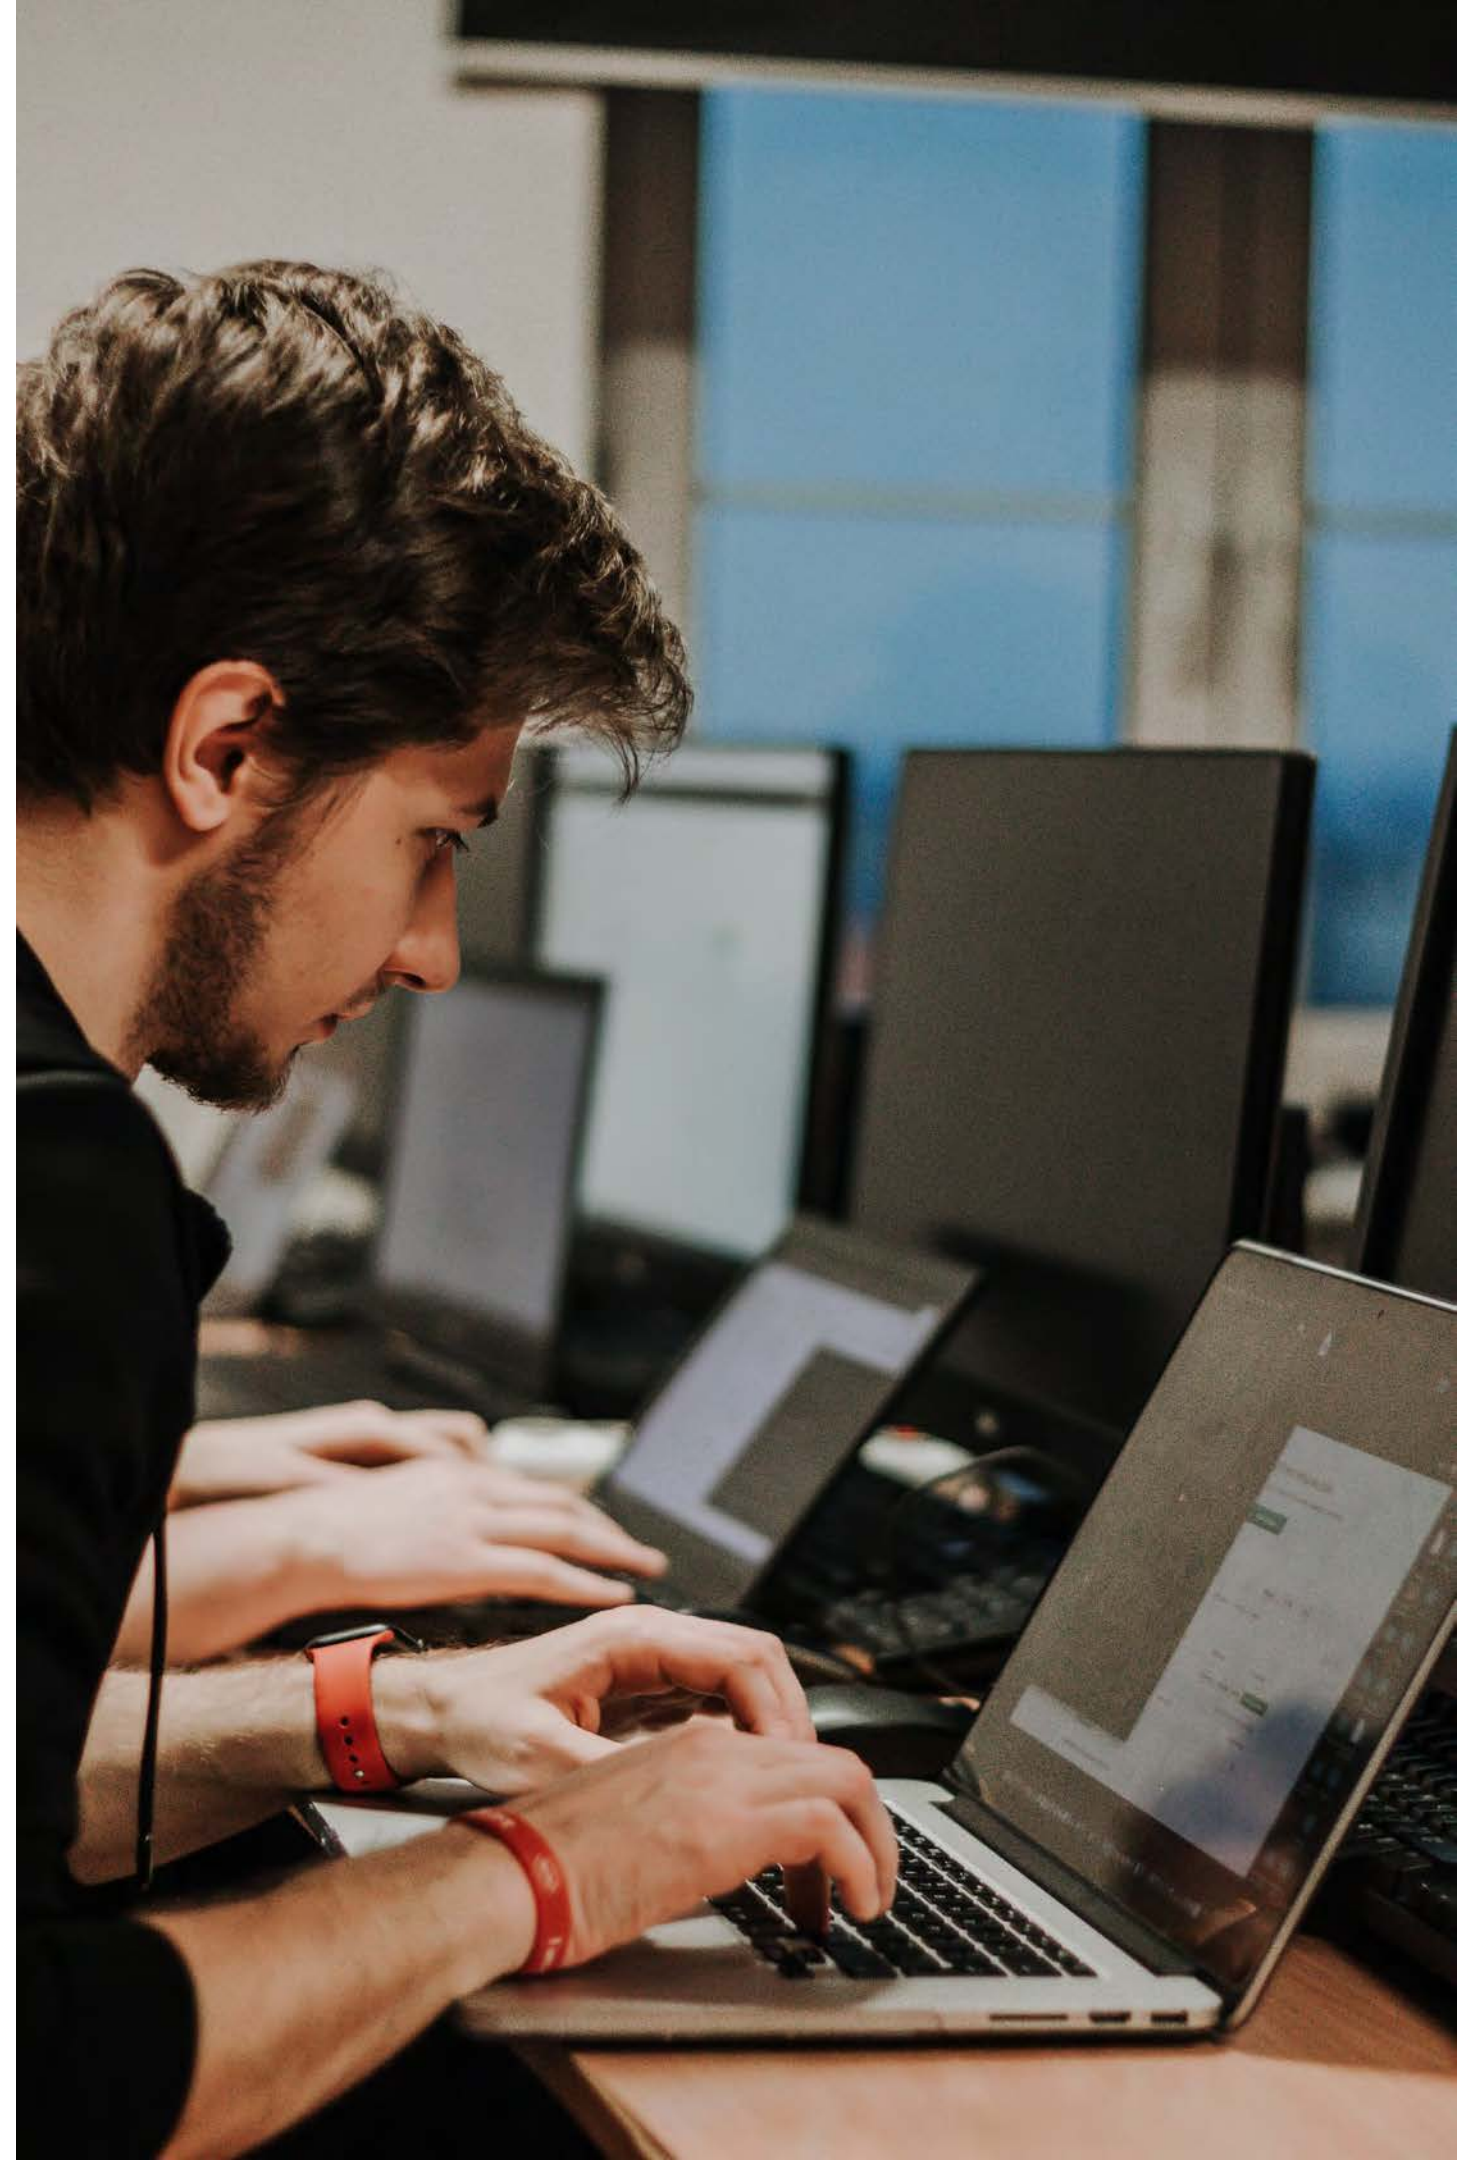

Send an email to: help@pja.edu.pl

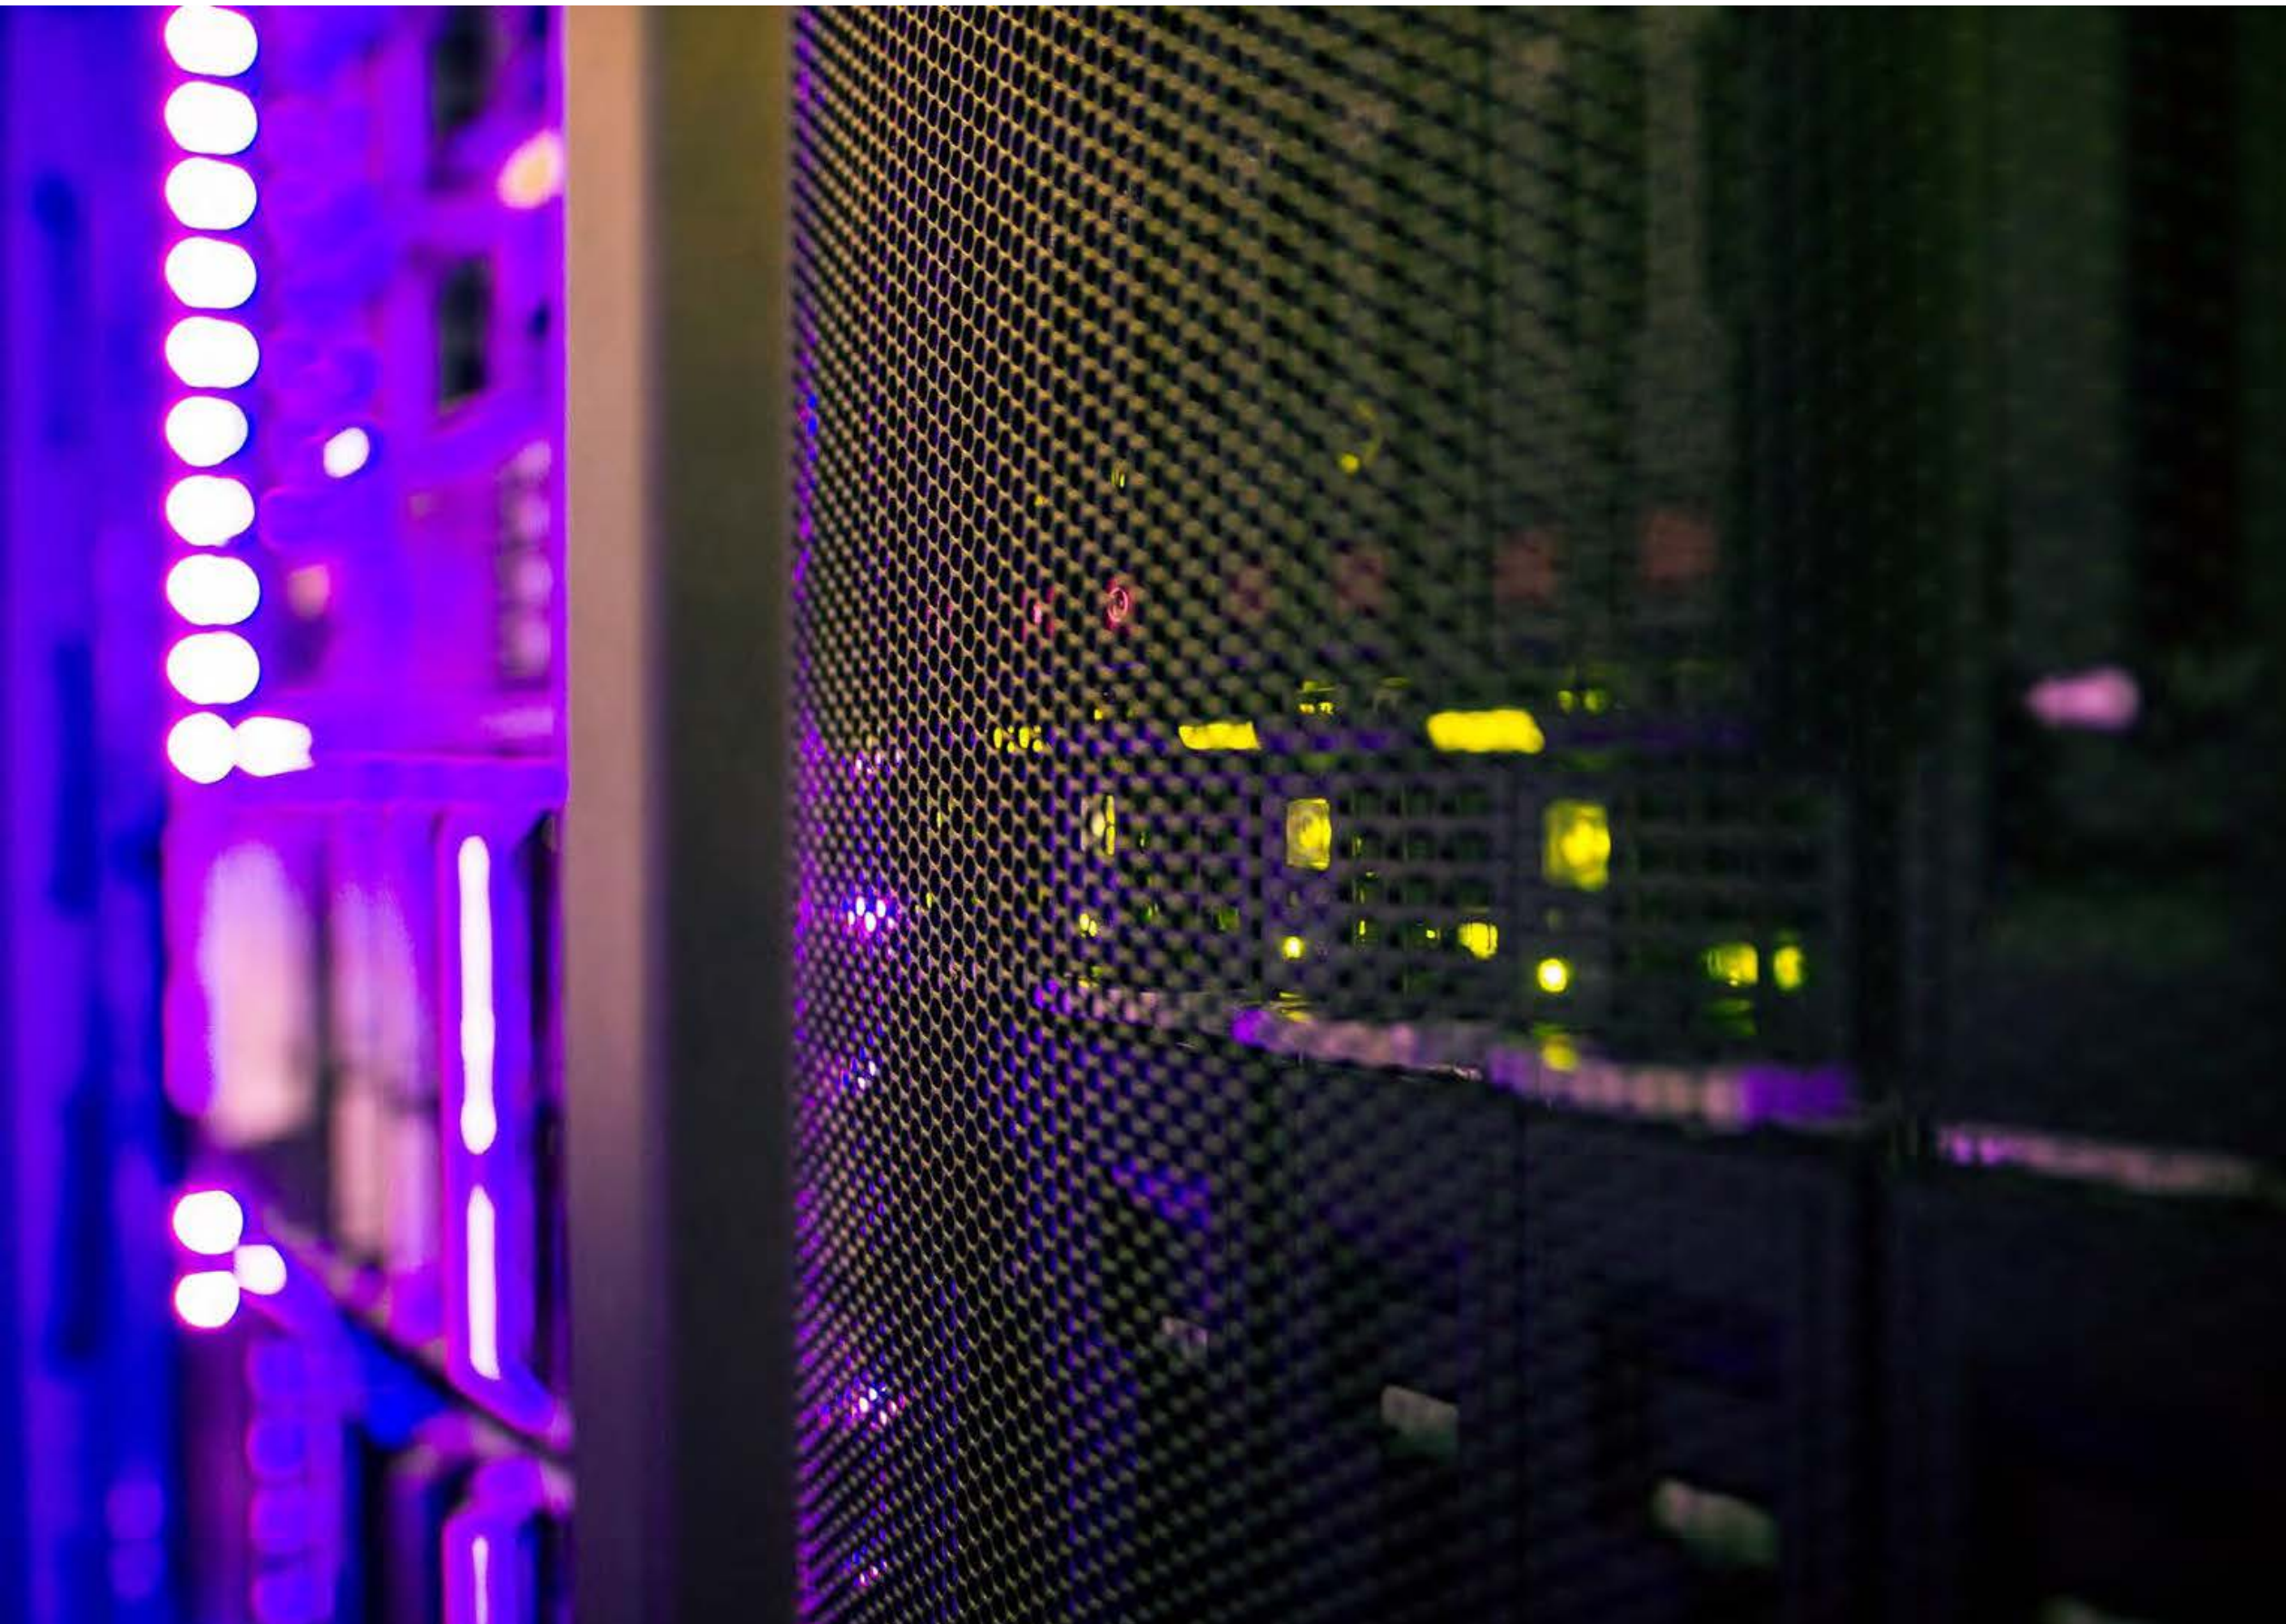

In emergencies, call: +48 22 584 45 56

Forgot your password?

Change your password at: haslo.pja.edu.pl

Instructions for configuring the public FTP drive are also available.

FREE SOFTWARE

PJAiT students have right to download and get a free license of: **Microsoft software (Azure, Office, OS...), Autodesk software, Jet Brains, Archicad, SAS Institute.**

Go to: software.pjwstk.edu.pl
log in with your PJAiT student e-mail and password

[more at BSS \(helpdesk\) site](#)

Remember: student licenses are not commercial licenses!

LOG-IN TO WI-FI

- Wi-Fi is free on the campus and so is available to all PJAIT students.
- It can be accessed through an international **Eduroam** system.
- For example, in order to log in to the network via your laptop, please choose Eduroam network and use the following details:
login – **your PJAIT e-mail**,
password – **a password to your PJAIT account**.

VIRTUAL LABS AND REMOTE ACCESS

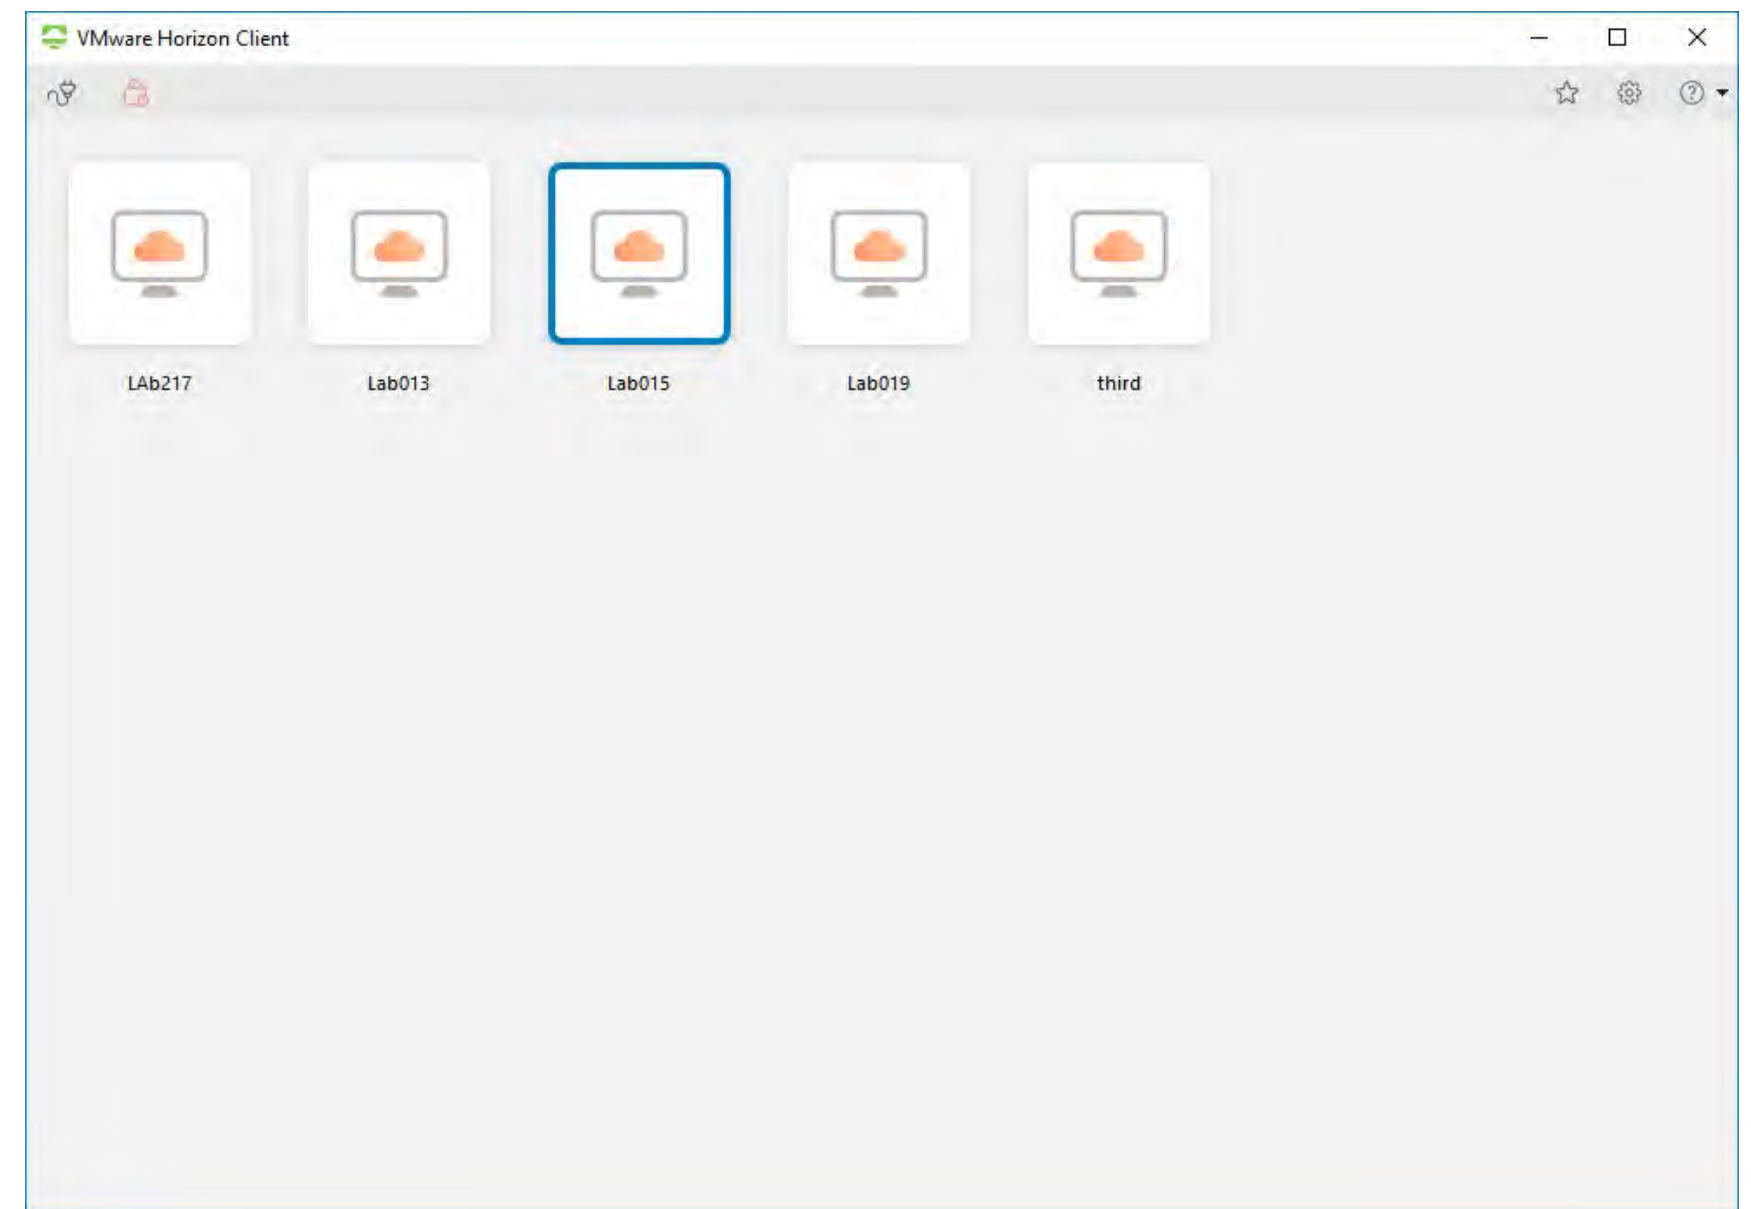

The **VMware Horizon** platform enables remote access to computer laboratories

To access the platform, you need to download and install the software available at: <https://view.pjwstk.edu.pl/> or use the VMware Horizon Client.

Using this software, connect to the server view.pjwstk.edu.pl. Log in with your account from the domain **pjwstk.edu.pl**.

Select the laboratory you wish to use. By clicking on the icon with the laboratory number, you will connect to one of the computers in that lab.

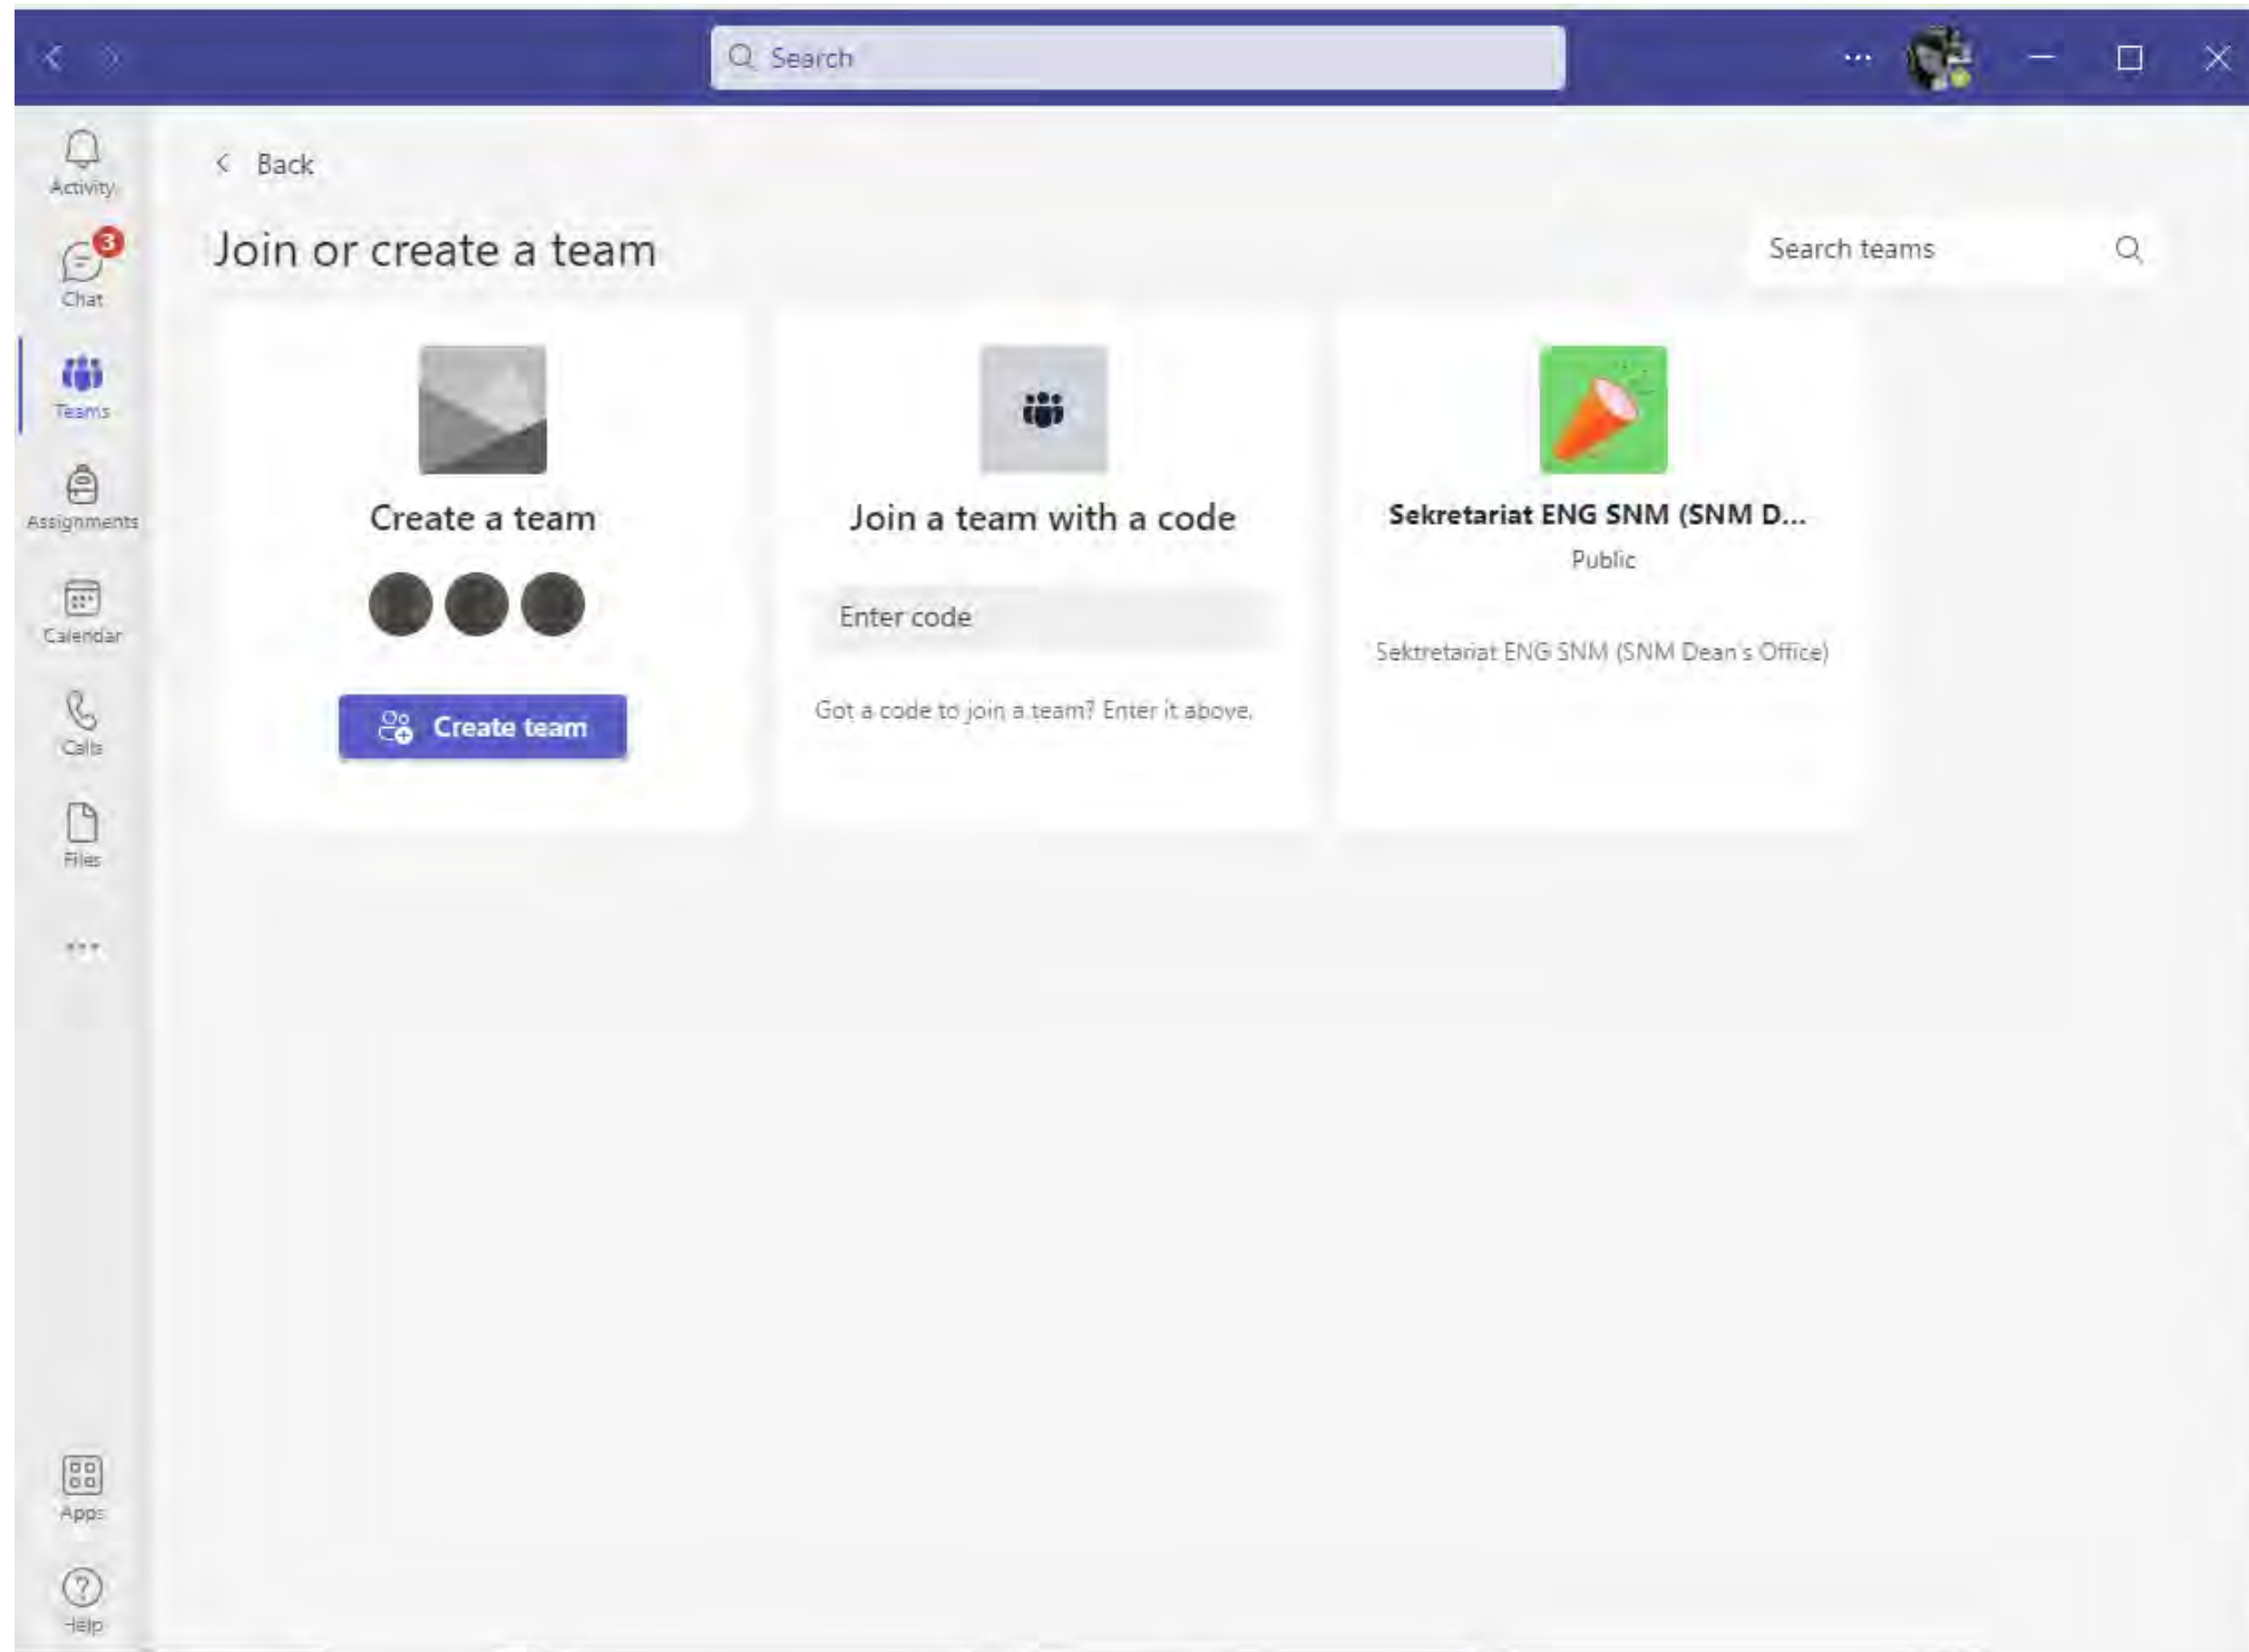

For detailed instructions, visit: <https://bss.pja.edu.pl/dostep-do-maszyn-wirtualnych-poprzez-vmware-horizon/>

MS TEAMS

Every student is added to their student group on Microsoft Teams. If your timetable shows lectures marked for remote learning (in bright green), your classes will take place via Microsoft Teams

Log in to the Microsoft Teams application using your account from the domain pjawstk.edu.pl

DEPARTMENTS

FOREIGN LANGUAGES DEPARTMENT

English Language Courses:

Mandatory for first-year students. If you do not see them on your individual study plan, please contact the Language Studies Department (SJO) at:

sjo@pja.edu.pl.

Japanese Language Electives:

Organized and conducted by the Faculty of Culture of Japan. Instructors will inform all students about enrollment rules and possible class schedules via email from japonski@pjwstk.edu.pl during the first weeks of each semester. Any student can enroll starting from the second semester.

Polish Language Electives:

You can register for Polish language courses using the following form:

[Registration Form](#).

More About Language Courses:

This document contains answers to frequently asked questions regarding language classes: [Foreign Languages FAQ](#)

Head of the Foreign Languages Department:
Dr Małgorzata Rzeźnik-Knotek

sjo@pja.edu.pl

Room B105 (building B)

PJAIT LIBRARY

- borrow books and magazines
- access numerous scientific databases with e-publications
- submit your thesis
- purchase textbooks for learning Japanese, computer science, and mathematics
- buy PJAIT merchandise

more at:

pja.edu.pl/en/pjatk/biblioteka/

STUDENT COUNCIL

AND STUDENTS' CLUBS

SAMORZĄD
STUDENCKI
PJATK

Step by step...

Agenda

Student Council - what is it?

How does the Student Council work?

Student Council's position in the University

Work with us!

Your voice matters!

Why is it worth it?

Contact information

Student Council - what is it?

“STUDENTS OF THE UNIVERSITY
FORM A STUDENT COUNCIL.”

- Art. 110 ust. 1, Prawo o szkolnictwie wyższym i nauce

HOW DOES THE STUDENT COUNCIL WORK?

Decision body

Responsible for making decisions on behalf of University students (Eg. It might be able to make adjustments to the scholarship regulations).

Executive body

Responsible for organizing cultural events, awarding scholarships, promoting the Student Council, taking care of the students' interests and of all matters not resolved by the other bodies.

President

Coordinates the work of the entire Student Council, represents its interests before the Authorities and other bodies of the University, as well as outside of the University (Eg. the Forum of Non-Public Universities).

STUDENT COUNCIL'S POSITION IN THE UNIVERSITY

University Senate

This collegial body of the University is responsible for: adopting and amending the study regulations, establishing conditions and procedures for admissions and defining the graduation requirements at the University.

Faculty Board

This collegial body of the University is responsible for: adopting the development strategies of the Faculty, reviews the Dean's annual report based on the activities of the Faculty.

Disciplinary Committee on Students

A student may be brought before the Disciplinary Committee on Students. This Committee consists of 40% of our students.

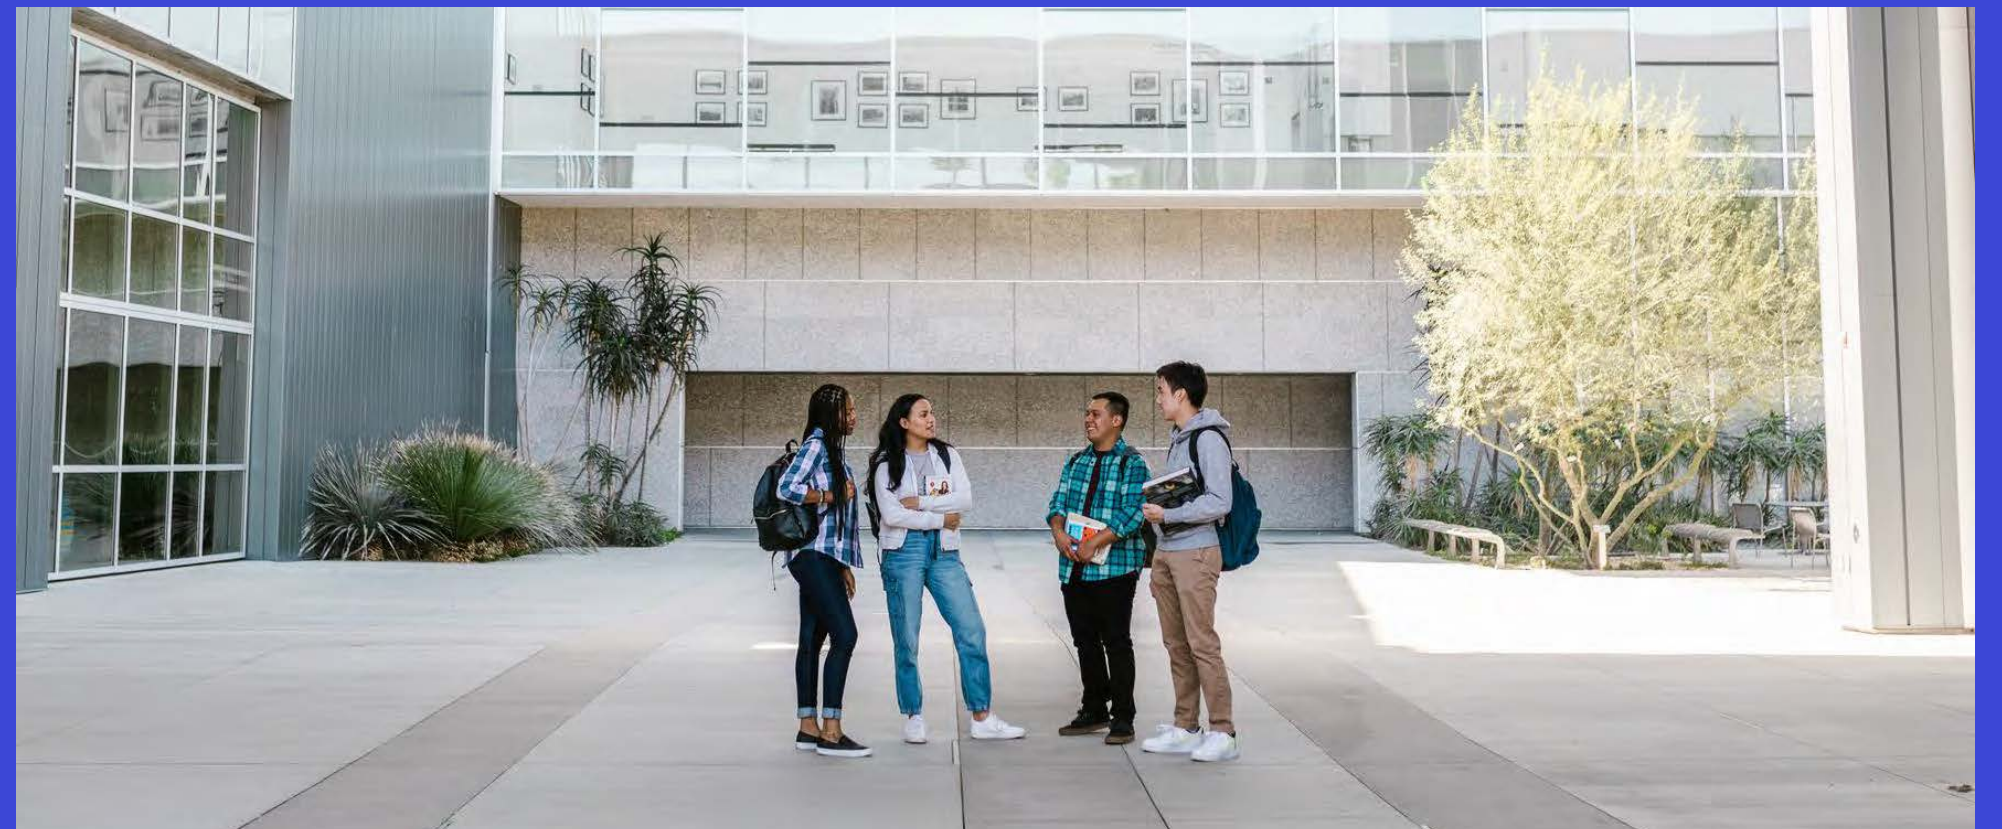

Scholarship Committee

A student has a right to social benefits, which can be awarded by the Scholarship Committee. This Committee is represented entirely by our students.

Work with us!

Student Council's Commissions

- Commission on Cultural Affairs
- Commission on Promotion
- Commission on Collaboration
- Commission on Scholarship Affairs
- Commission on Foreign Affairs

Your voice matters!

Student Council's Faculty Boards

- Faculty of Computer Science
 - Faculty of Information Management
- Faculty of New Media Arts
- Faculty of Japanese Culture

Why is it worth it?

By being active in Student Council, you can count on...

- valuable experience
- tuition discounts
- free participation in events organized by Student Council
- opportunity to participate in inter-university events

student research club

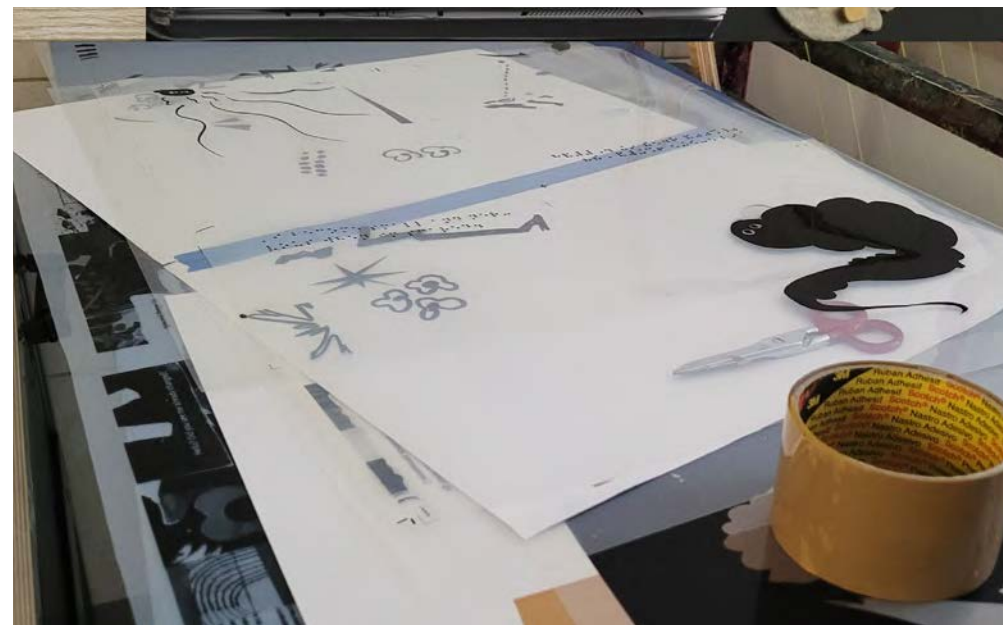

universal design lab

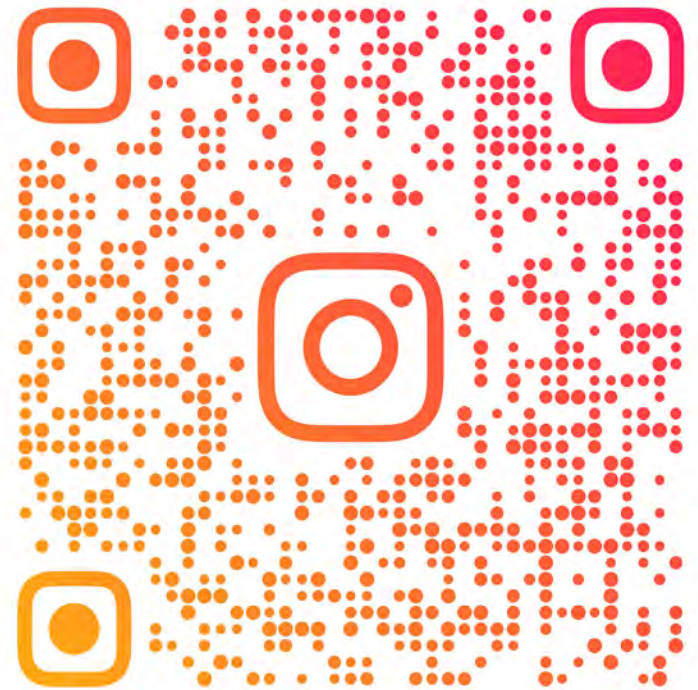

Universal design is design that takes into account accessibility, regardless of age, disability, or other factors that limit a user's capabilities.

the lab aims to:

- develop projects in the field of Universal Design: last year we focused on projects of books for blind and visually impaired children
- raise awareness of the importance of universal design issues through interdisciplinary research activities
- participate in competitions
- organize exhibitions and events, and other activities that extend its reach beyond the academic scale

WELCOME

TO WARSAW!

WARSAW'S DISTRICTS

Our school is located just on the border between Ochota and Wola districts, close to Warsaw's city centre.

MOVING AROUND

Public transport: PJAiT student ID card is also to hold your long-term public transport ticket.

Read [more about the student electronic card](#)

- Apps that show public transport's timetables, that you might find useful are as follow:
 - [jakdojade.pl](#) 'how do I get there'
 - [maps.google.pl](#)
 - [Warsaw's Public Transport website](#)
 - [e-podroznik.pl](#) off city transport
- In Warsaw you can also come across numerous stations with **city bikes**. To rent them, you will need a [Veturilo app](#) available via your smartphone's app stores.

CULTURE

Warsaw is the capital that offers a variety of interesting events from many different fields, including, but not limited to, art, science, and music.

Want some recommendations? Check out the [Culture.pl](https://culture.pl) portal.

You definitely must visit places like:

- [Zachęta](#)
- [Ujazdowski Castle](#)
- [Museum on the Vistula](#)
- [Leica Gallery](#)
- [Nowy Teatr](#)

TOGETHER, WE BUILD A POSITIVE ATMOSPHERE!

At PJAIT, we create a place full of respect, empathy, and openness. Let's remember that words have power – let's choose them wisely.

Let's maintain a culture of speech and openness to others. We are a multicultural university, and we are proud of it!

Together, we build a unique atmosphere of mutual respect and cooperation!
